DIRECTORS' REPORT AND STATEMENT BY DIRECTORS

The directors have pleasure in submitting their report and the audited financial statements of the Company for the year ended 31 March 2023.

PRINCIPAL ACTIVITIES

The principal activities of the Company are providing technical consultancy services, trading in chemical products and acting as commission agents.

RESULTS

	RM
Profit after taxation	<u>43,905</u>

RESERVES AND PROVISIONS

There were no material transfers to or from reserves or provisions during the financial year.

BAD AND DOUBTFUL DEBTS

- (a) Before the financial statements of the Company were made out, the directors took reasonable steps to ascertain that action had been taken in relation to the writing off of bad debts and the making of allowance for doubtful debts, and that all known bad debts had been written off and adequate allowance had been made for doubtful debts.
- (b) At the date of this report, the directors of the Company are not aware of any circumstances that would render the amount written off for bad debts, or the amount of the allowance for doubtful debts, in the Company inadequate to any substantial extent.

CURRENT ASSETS

- (a) Before the financial statements of the Company were made out, the directors took reasonable steps to ascertain whether any current assets, other than debts, were unlikely to realise in the ordinary course of business their value as shown in the accounting records of the Company and to the extent so ascertained, were written down to an amount they might be expected to realise.
- (b) At the date of this report, the directors are not aware of any circumstances that would render the values attributed to the current assets in the financial statements of the Company misleading.

VALUATION METHODS

At the date of this report, the directors are not aware of any circumstances which have arisen which render adherence to the existing method of valuation of assets or liabilities in the financial statements of the Company misleading or inappropriate.

CONTINGENT AND OTHER LIABILITIES

- (a) At the date of this report, there does not exist any contingent liability in respect of the Company that has arisen since the end of the financial year.
- (b) No contingent liability or other liability of the Company has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the directors, will or may substantially affect the ability of the Company to meet its obligations as and when they fall due.

CHANGE OF CIRCUMSTANCES

At the date of this report, the directors are not aware of any circumstances, not otherwise dealt with in this report or the financial statements of the Company, that would render any amount stated in the financial statements misleading.

ITEMS OF AN UNUSUAL NATURE

- (a) The results of the operations of the Company for the financial year were not, in the opinion of the directors, substantially affected by any item, transaction or event of a material and unusual nature.
- (b) There has not arisen in the interval between the end of the financial year and the date of this report, any item, transaction or event of a material and unusual nature likely, in the opinion of the directors, to affect substantially the results of the operations of the Company for the current financial year.

DIRECTORS OF THE COMPANY

- (a) Directors who served during the financial year and up to the date of this report are:-

Vijay Bhalchandra Palkar

Rahul Vijay Palkar

David Wong Hup Wen

- (b) None of the directors in office at the end of the financial year held any interest in the shares in the Company.

Company No.
201101028221 (956356-X)

- (c) The Company is a wholly-owned subsidiary of Indo Amines Limited, a company incorporated in India. Vijay Bhalechandra Palkar and Rahul Vijay Palkar by virtue of their interest in the shares in Indo Amines Limited, are deemed interested in the shares in the Company.

DIRECTORS' BENEFITS

- (a) Since the end of the previous financial year, no director of the Company has received or become entitled to receive any benefit (other than a benefit included in the aggregate amount of emoluments received or due and receivable by the directors or the fixed salary of a full time employee of the Company) by reason of a contract made by the Company with the director or with a firm of which the director is a member, or with a company in which the director has a substantial financial interest.
- (b) Neither during nor at the end of the financial year, was the Company a party to any arrangements whose object is to enable the directors to acquire benefits by means of the acquisition of shares in or debentures of the Company or any other body corporate.

DIRECTORS' REMUNERATION

Details of the director's remuneration for the financial year was RM3,000.

INDEMNITIES AND INSURANCE

No indemnities have been given to or insurance premiums paid for any director, officer or auditor of the Company.

AUDITORS' REMUNERATION

Details of auditors' remuneration are as follows :-

Audit fee	RM 3,500

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF INDO AMINES (MALAYSIA) SDN. BHD. Company No. 201101028221 (956356-X)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Indo Amines (Malaysia) Sdn. Bhd., which comprise the statement of financial position as at 31 March 2023, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 9 to 22.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 March 2023 and of its financial performance and cash flows for the year then ended in accordance with Malaysian Private Entities Reporting Standard and the requirements of the Malaysian Companies Act, 2016.

Basis for Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Other Ethical Responsibilities

We are independent of the Company in accordance with the *By-Laws (on Professional Ethics, Conduct and Practice)* of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants (including International Independence Standards)* ("IESBA Code") and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Information Other than the Financial Statements and Auditors' Report Thereon

The directors of the Company are responsible for the information contained in the Directors' Report.

Our opinion on the financial statements of the Company does not cover the Directors' Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Company, our responsibility is to read the Directors' Report and, in doing so, consider whether the Directors' Report is materially inconsistent with the financial statements of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement in the Directors' Report, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Statements

The directors of the Company are responsible for the preparation of the financial statements of the Company that give a true and fair view in accordance with Malaysian Private Entities Reporting Standard and the requirements of the Malaysian Companies Act, 2016. The directors are also responsible for such internal controls as the directors determine are necessary to enable the preparation of financial statements of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Company, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance whether the financial statements of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the financial statements of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

Company No.
201101028221 (956356-X)

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the financial statements of the Company, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

Other Matters

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Malaysian Companies Act, 2016 and for no other purpose. We do not assume responsibility to any other person for the contents of this report.

(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2023

1. GENERAL INFORMATION

- (a) The principal activities of the Company are providing technical consultancy services, trading in chemical products and acting as commission agents.
- (b) The Company is a private limited liability company, incorporated and domiciled in Malaysia.
- (c) The registered office of the Company is located at Suite 702, Wisma Hangsam, Jalan Hang Lekir, 50000 Kuala Lumpur.
- (d) The principal place of business of the Company is located at D-18-12 Casa Suites, No.1, Jalan SS 20/27, 47400 Petaling Jaya, Selangor Darul Ehsan.
- (e) The Company is a wholly-owned subsidiary company of Indo Amines Limited, a company incorporated in India.
- (f) The financial statements were authorised for issue by the Board of Directors in accordance with a resolution of the directors passed on ~~09~~ **09 MAY 2023**

2. BASIS OF PREPARATION

(a) Statement of Compliance

The financial statements of the Company have been prepared in compliance with Malaysian Private Entities Reporting Standard (“MPERS”) and the requirements of the Malaysian Companies Act, 2016.

(b) Accounting Convention

The financial statements of the Company have been prepared under the historical cost convention unless otherwise stated in the significant accounting policies set out in Note 3 below.

(c) Functional and Presentation Currency

These financial statements are presented in Ringgit Malaysia (“RM”), which is the Company’s functional currency.

(d) Use of Estimates and Judgements

The preparation of the financial statements in conformity with MPERS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

3. SIGNIFICANT ACCOUNTING POLICIES

(a) Plant and Equipment and Depreciation

Plant and equipment are stated at cost less accumulated depreciation. The cost of plant and equipment comprises their purchase cost and any incidental cost of acquisition. Where an indication of impairment exists, the carrying amount of the asset is assessed and written down immediately to its recoverable amount.

Depreciation is calculated on the straight line basis at rates calculated to write off the cost of the assets over the expected useful lives of the assets concerned. The principal annual rate used for furniture and fittings is 33.33%.

(b) Investment Properties

Investment properties are properties which are owned or held under a leasehold interest to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes.

Investment properties are measured initially at cost and subsequently at fair value with any change therein recognised in profit or loss for the period in which they arise. Cost includes expenditure that is directly attributable to the acquisition of the investment properties. The cost of self-constructed investment properties include the cost of materials and direct labour, any other costs directly attributable to bring the investment properties ready for their intended use.

If a reliable measure of fair value is not available without undue cost or effort for an item of investment property, that item is classified as investment property carried at cost less accumulated depreciation and accumulated impairment losses until a reliable measure of fair value becomes available.

Depreciation of investment properties carried at cost less accumulated depreciation and accumulated impairment losses is calculated using the straight-line method to allocate the cost less its residual values over their estimated useful lives. The estimated useful life of the Company's investment property is 50 years.

(c) Financial Instruments

A financial instrument is a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Initial recognition and measurement

A financial asset or a financial liability (including derivative instruments) is recognised only when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset or a financial liability is measured at the transaction price, including transaction costs. For a financial asset or a financial liability that is subsequently measured at fair value through profit or loss, transaction costs are expensed to profit or loss when incurred.

An arrangement constitutes a financing transaction, if payment is deferred beyond normal business terms. Under a financing transaction, a financial asset or a financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument as determined at initial recognition.

(ii) Subsequent measurement

Debt instruments are measured at amortised cost using the effective interest method. Debt instruments that are classified as current assets or current liabilities are measured at the undiscounted amount of the cash or other consideration expected to be paid or received, unless the arrangement constitutes, in effect, a financing transaction.

Investment in non-convertible preference shares and non-puttable ordinary or preference shares, that are publicly traded or their fair value can otherwise be measured reliably without undue cost or effort, are measured at fair value with changes in fair value recognised in profit or loss. All other such investments are measured at cost less impairment.

All financial assets are subject to review for impairment, except for financial assets measured at fair value through profit or loss.

(iii) Impairment

At the end of each reporting period, financial assets that are measured at cost or amortised cost are assessed as to whether there is objective evidence of impairment. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For a financial asset measured at amortised cost, the impairment loss is the difference between the asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If such a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For a financial asset measured at cost less impairment, the impairment loss is the difference between the asset's carrying amount and the best estimate of the amount that would be received for the asset if it were to be sold at the reporting date.

If, in a subsequent period, the amount of an impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed in profit or loss.

(iv) Derecognition

A financial asset is derecognised only when (i) the contractual rights to receive the cash flows from the financial asset expire or are settled; or (ii) the entity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, including circumstances when the entity acts only as a collecting agent of the transferee, and retains no significant risks and rewards of ownership of the financial asset or no continuing involvement in the control of the financial asset transferred.

A financial liability is derecognised only when it is extinguished, i.e. when the obligation specified in the contract is discharged, is cancelled or expired. A substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

(d) Share Capital

Ordinary shares are presented as equity. Dividends on ordinary shares are recognised in equity in the period in which they are declared.

(e) Taxation

The tax expense in the statement of comprehensive income comprises current and deferred tax. Current tax is the expected amount of income tax payable in respect of taxable profit for the year and is measured using the tax rates that have been enacted at the reporting date.

Deferred tax is provided for, using the liability method, on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts in the financial statements. In principle, deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences, unused tax losses and unused tax credits can be utilised.

Deferred tax is measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates that have been enacted or substantively enacted at the reporting date.

(f) Revenue Recognition

- (i) Revenue from technical consultancy services is recognised when the services are rendered.
- (ii) Revenue from trading is recognised when significant risks and rewards of ownership of goods are transferred, net of discounts and returns.
- (iii) Commission is recognised on the accrual basis.
- (iv) Interest income is recognised on the accrual basis.
- (v) Rental income is recognised on the accrual basis.

(g) Statement of Cash Flows

The Company adopts the indirect method in the preparation of the statement of cash flows. Cash and cash equivalents represent cash and bank balances and fixed deposit.

(h) Foreign Currency Transactions

Foreign currency transactions are accounted for at exchange rates ruling at the transaction dates. Foreign currency monetary assets and liabilities are translated at exchange rates ruling at the reporting date. Exchange differences arising from the settlement of foreign currency transactions and from the translation of foreign currency monetary assets and liabilities are included in the statement of comprehensive income.

The closing exchange rate used in the translation of 1 United States Dollar is RM4.4230 (2022: N/A).
